

Workplace Storage Equipment

bott

know-how makes the difference

ERIKS

INTRODUCTION

Why buy Bott

Bott Ltd are the UK's leading manufacturer of workplace storage equipment providing a quality range of workbenches, drawer cabinets and tool cupboards in a wide range of sizes, colours and configurations to suit any working environment.

The company's 10 year "Built to Last" Guarantee covers all Bott manufactured workshop equipment products and demonstrates the confidence in their service durability. The 'Built to Last' approach guarantees that customers can rely on Bott to stand the test of time and match the exacting demands of their business.

The state of the art factory in Bude, Cornwall uses the latest technologies for guaranteed repeatable quality and reliable short delivery times.

Experienced sales teams are on hand to give advice on the perfect storage solution and can provide detailed visualisations of your completed workspace.

Bott Ltd and ERIKS – creating better working environments

Understand

The Bott and ERIKS sales team will work together with you to understand your requirements.

Develop

Using their knowledge and experience they will propose a tailored solution and can provide full 3D simulations giving a clear impression of the proposed workspace.

Manufacture

Bott products are manufactured here in the UK using the latest sophisticated manufacturing processes, a dedicated workforce and high quality materials. Bott are fully ISO 9001 and ISO 14001 certified.

Deliver

Bott have their own delivery vehicle fleet to get the products to your site on time and in good condition.

Install

If required the Bott installation team will unwrap, assemble and position the equipment.

Aftercare

Bott and ERIKS believe in long-term business relationships, so you can be assured of an excellent aftersales service.

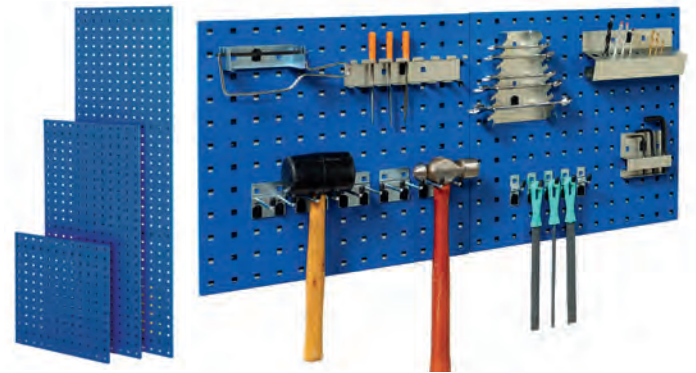

Built to last

All products undergo a rigorous testing and validation programme, ensuring they are truly fit for purpose. All Bott manufactured workshop equipment is proudly covered by a 10 year guarantee so you can be totally confident in the quality and durability of our workplace storage range.
